Journal of the English Place-name Society
Bibliography

Keith Briggs
Last modified 2021-02-09 11:37

This file is automatically generated from JEPNS.bib, which is itself automatically generated from JEPNS_contents.html by a program I wrote myself (JEPNS_to_bibtex_03.py). The bibliography style is that required by JEPNS, and uses a style file JEPNS_biblatex.sty written by me, together with the biblatex package. There are 289 items here.
